Auf ein Wort

Es gibt viele Wettbewerbe rund um die Welt aber nur wenige haben so viele Teilnehmer wie der German International DVF-Photocup (GIP).

Die "Zutaten" zu diesem Erfolg sind offensichtlich einfach: Zuverlässigkeit, Pünktlichkeit, Effizienz, ein tiefer Respekt für die Teilnehmer und eine besondere Aufmerksamkeit für innovative und neue Ideen. Aber es ist nicht so einfach eine große Anzahl von Bildern zu verwalten, so dass immer das höchste Qualitätsniveau für die Einsender gewährt wird. Dieses Ziel haben Norbert und Karin Heil jedoch im Laufe der Jahre erfolgreich erreicht und die Ergebnisse belegen dies deutlich.

Das zweite Jahr hatte ich nun die Ehre, Teil der Jury dieses Circuits zu sein, und es ist wichtig zu unterstreichen, dass dies eine "echte" Jury ist, wo die Juroren die Bilder betrachten und die Ergebnisse alle miteinander diskutieren. Sie arbeiten gemeinsam, und nicht nur "virtuell", auf ihrem Heimcomputer, während sie auf der ganzen Welt verstreut sind. Die Atmosphäre der respektvollen Zusammenarbeit und Freundschaft, die diese Jury kennzeichnet, ist auch ein wichtiger Beitrag zum Erfolg dieses Circuits. Es ermöglicht Bewertungskriterien zu verwenden, die speziell dazu dienen, wirklich herausragende und innovative Bilder auszuwählen und nicht nur die "durchschnittlichen, oft gewählten Bilder" auszusuchen, völlig im Einklang mit den internationalen Regeln.

Im Namen der internationalen Jury möchte ich allen Teilnehmern danken, die auch in diesem Jahr ein wirklich hohes Qualitätsniveau der eingereichten Bilder erzielt haben. Ich möchte den Organisatoren ebenfalls danken, die die Beiträge genauso verwaltet, wie ich sie als Einsender gemanagt wissen möchte, das heißt mit dem Bewusstsein der Arbeit, die in jedem einzelnen Bild steckt.

Marco Garabello, Italien, MPSA, EFIAP/b, PSA Exhibition Standard Director Nature and Region 1

On my mind

There are many photo contests around the world, but only few of them have as many entrants as the German International DVF-Photocup (GIP).

The "ingredients" of this success are apparently very simple: reliability, punctuality, efficiency, a deep respect for the entrants and special attention to innovative and new ideas. But it is not so easy to manage such a large amount of images and entrants and so ensure the maximum quality. However, Norbert and Karin Heil fully succeeded in achieving this goal over the years and the results clearly testify to this.

For the second year I have had the honor of being part of the jury of this Circuit, and it is important to underline that this is, a "real" jury. Here the judges look at the pictures and discuss the results all together. They are in the same place and not only "virtually", on their home computer, while they are scattered around the world. The atmosphere of respectful cooperation and friendship that characterizes this jury is also an important part in the success of this Circuit. It allows the jury to use judging criteria specially aimed at selecting really outstanding and innovative pictures and not only the "average, most voted ones", fully respecting the international rules.

On behalf of the International jury, I want to thank all the entrants who, this year too, have granted a really high quality of submitted images. I would like to praise the organization that manages the entries exactly the way I, as an entrant, would like my entry to be managed, that is to say with the consciousness of the work involved in each single picture.

Bernd Mai Memorial Award

(1957-2015)

In Memoriam Bernd Mai.

On the 22nd of December 2015 we lost Bernd. Since I knew him, he was fighting against a miserable illness. But whenever you were talking to him, he was positive, creating the future. He considered every day a win for being with his family and friends.

Bernd was a very active member in the photography community. He worked for the German Association DVF and was a well respected juror and a successful photographer. He always was full of ideas and new projects. Many fellow photographers were inspired by his work. His style was unique.

Bernd was member of the jury team of the GIP from the beginning. We all are missing his expertise.

Therefore the chairman Norbert Heil created a "Bernd Mai Memorial Award" for outstanding and trend setting photography.

Bernd, we always will remember you.

For the jury
Volker Frenzel

In Memoriam Bernd Mai

Am 22. Dezember 2015 starb Bernd. Er hat viele Jahre gegen eine heimtückische Krankheit gekämpft. Wann immer wir miteinander sprachen, war er jedoch voller Pläne und dachte an die Zukunft. Er hat jeden Tag als Gewinn gesehen, den er mit seiner Familie und den Freunden verbringen konnte.

Es war in der Fotoszene höchst aktiv, beim Deutschen Verband für Fotografie, als gerne gesehener Juror im nationalen und internationalen Bereich und als sehr erfolgreicher Fotograf. Sein fotografischer Stil war unverkennbar und er hat viele andere Fotografen mit seinen Ideen und seiner Sehweise inspiriert.

Bernd war seit Anbeginn Mitglied des Juryteams des GIP. Wir alle vermissen seine Kompetenz.

Der Chairman Norbert Heil hat einen „Bernd Mai Memorial Award“ gestiftet für außergewöhnliche und richtungweisende Fotografie.

Bernd, wir werden Dich in Erinnerung behalten.

DER UDO

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO. Dieses Jahr wird er in den Sektionen Color und Mono von Udo vergeben.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't name it like the original, so he called it UDO. This year the UDO is awarded for Color and Mono by Udo.

Mono, Stanford, Peter, United Kingdom, Tea Break

Color, Boehle, Rob, Netherlands, hmm lekker die cakejes en schuimpjes
