### Auf ein Wort

Es ist mir eine Ehre, mehrere Jahre lang der Jury des Deutschen Internationalen Fotowettbewerbs (GIP) anzugehören.

Diese herausragende Ausstellung präsentierte dieses Jahr 1.027 Teilnehmer mit 11.898 Fotos aus 57 Ländern. Damit zählt der Wettbewerb zu den besten Fotowettbewerben weltweit.

Der GIP, mit seinen vier Sektionen Open Color, Open Mono, Nature und Play and Fun, hat sich durch die schnelle Veröffentlichung der Ergebnisse nach der Jurybewertung einen Namen gemacht.

Der Erfolg einer Veranstaltungsreihe dieser Größenordnung erfordert gute Organisation und Planung. Norbert und Karin Heil haben dies über die Jahre hinweg erfolgreich umgesetzt, und die Ergebnisse sprechen für sich.

Die Anzahl internationaler Fotosalons hat in den letzten Jahren enorm zugenommen, und Fotografen haben mehr Auswahl denn je, bei welchen Fotowettbewerben sie ihre Fotos einreichen möchten. Trotz der großen Anzahl an Fotos hatten die Jurymitglieder ausreichend Zeit, eine gute Auswahl zu treffen und nahmen sich insbesondere die Zeit, die besten Fotos für die Medaillengewinner und die mit einer lobenden Erwähnung Ausgezeichneten auszuwählen.

Die finale Auswahl ist von exzellenter Qualität und repräsentiert die Werke einer Vielzahl von Fotografen aus aller Welt.

Mein persönlicher Dank gilt meinen Jurykollegen, die die Beurteilung der vielen Fotos zu einer angenehmen Aufgabe gemacht haben. Außerdem möchte ich mich bei den perfekten Gastgeber, Norbert und Karin, für die Einladung und dafür bedanken, dass wir uns sofort wie zu Hause gefühlt haben.

Nehmen Sie sich Zeit, die wunderschönen Fotos in diesem Katalog zu genießen. Ich hoffe, sie inspirieren Sie, Ihre fotografische Reise fortzusetzen, Ihre Fantasie zu nutzen und über den Tellerrand hinauszuschauen, Ihre Komfortzone zu verlassen und zu experimentieren.

### On my mind

I am honored to have been part of the jury of the German International Photocup - GIP for several years.

This excellent exhibition featured 1,027 participants this year with 11,898 photos from 57 countries. This makes the competition one of the best photography competitions in the world.

The GIP, with its four sections Open Color, Open Mono, Nature, and Play and Fun, has made a name for itself through the rapid publication of results following the jury assessment.

The success of a circuit of this magnitude requires good organization and planning. However, Norbert and Karin Heil have managed to achieve this over the years, and the results speak for themselves.

The number of international photo salons has increased enormously in recent years, and photographers have more choice than ever before regarding the photo competitions to which they wish to submit their photos. Despite the large number of photos, the jury members had sufficient time to make a good selection and, above all, took extra time to select the best photos for the medal winners and for those who received an honorable mention.

The final selection is of excellent quality and represents the work of a wide range of authors from all over the world.

My personal thanks go out to my fellow jury members who made judging the many photos a pleasant task. Furthermore, I would like to thank the perfect hosts, Norbert and Karin, for the invitation and for ensuring that we felt right at home immediately.

Take the time to enjoy the beautiful photos in this catalogue. I hope they inspire you to continue your photographic journey, to use your imagination and think outside the box, to leave your comfort zone and to experiment.

# *DER UDO*

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't name it like the original, so he called it UDO.

Auf unserer Homepage [www.d-pixx.de](http://www.d-pixx.de) informieren wir Sie aktuell über neue Produkte, bringen neue interessante Meldungen aus dem Umfeld unseres Fotohobbys, haben viel Platz für unsere Praxistests, die wir durch zahlreiche Fotos in Originalgröße ergänzen, damit Sie sich selbst ein Bild von der Bildqualität machen können. Dazu kommen Wettbewerbe, Tipps, und für alle, die besonders neugierig sind, gibt es unsere „Gerüchteküche“ ...

In unserer Zeitschrift **d-pixx foto** finden Sie knapp gehaltene Praxistests, Produktübersichten, grundlegendes Fotowissen, Tipps, unseren großen Wettbewerb d-pixxFOTOGRAF des Jahres, den beliebten Rückblick „Kinder, wie die Zeit vergeht“ und vieles mehr. Und das alles für nur 3,30 € pro Ausgabe!
