Auf ein Wort

Im Jahr 2013 nahm ich zum ersten Mal am GIP teil und ab 2016 jedes Jahr. Warum? Ich finde, dass dieser Photocup sehr gut organisiert ist. Die Report Cards sind immer pünktlich, der Katalog ist ausgezeichnet. In einer Zeit, in der wir jeden Tag Stunden vor einer Art Bildschirm verbringen, ist es sehr entspannend, sich hinzusetzen und durch die Seiten mit all den wunderschön gedruckten Bildern im Katalog zu blättern.

Ich war begeistert, als ich von Norbert Heil gebeten wurde, dieses Jahr Teil des Juryteams zu sein. Ich bin ein erfahrener Juror und liebe es, Bilder zu sehen und mit den anderen Juroren im Team zu diskutieren. Als ich in Filderstadt ankam, wurde ich von Norbert darüber informiert, dass 998 Teilnehmer aus 60 Ländern, darunter 165 Jugendliche, zusammen mehr als 11.000 Bilder in den 4 Sektionen eingereicht hatten, über die ich mich zu wundern begann. Werden wir alle diese Bilder rechtzeitig jurieren können? Die Antwort war JA. Dank der hervorragenden Organisation der Jurierung, meiner freundlichen Jurorenkollegen und der herzlichen Atmosphäre, die Norbert und seine liebe Frau Karin geschaffen haben, wir alle hatten eine gute Zeit und verspürten nie Stress.

Manchmal hören wir die Frage: Könnte man mit Fotografien wirklich konkurrieren – und warum? Meine Antwort auf diese Frage war immer diese. Als Fotograf stehe ich vor der Herausforderung, meine besten Bilder auszuwählen und sie so gut wie möglich zu machen. Wenn ich Bilder an internationale Salons sende, bekomme ich Rückmeldung, ob meine Bilder gefallen oder nicht. Als Juror hat man auch das Privileg, die Meinung mit den anderen Juroren zu teilen und zu diskutieren. Wir alle sehen unterschiedliche Aspekte eines Bildes und es ist so inspirierend, an den Gedanken der anderen Juroren teilzuhaben. Ein weiteres Privileg ist es, so viele inspirierende Bilder zu sehen, und all das wird sich positiv auf die eigene Fotografie auswirken.

On my mind

Back in 2013 I participated in GIP for the first time and from 2016 I have participated every year. Why? I think this Photocup is so well organized. The report cards are always on time, the catalogue is excellent. In a time when we spend hours every day in front of a screen of some sorts, it's very relaxing to sit down and leaf through the pages with all beautifully printed images in the catalogue.

I was thrilled when I was asked by Norbert Heil to be part of one of the judging teams this year. I am an experienced judge and I love to see and discuss images with the other judges in the team. When arriving in Filderstadt I was informed by Norbert that 998 participants from 60 countries, including 165 youths, had together entered more than 11000 images in the 4 sections I started to wonder. Will we be able to manage all these images in time? The answer was YES. Thanks to the excellent organization of the judging, my friendly judging colleagues and the warm atmosphere created by Norbert and his lovely wife Karin, we all had a good time and never felt any stress.

Sometimes we hear the question: Could you really compete with photographs – and why? My answer to this question has always been this. As a photographer I have the challenge to select my best images and make them as good as possible. When sending images to international salons I get feedback whether my images are liked or not. As a judge you also have the privilege to share and discuss your opinions with the other judges. We all see different aspects of an image and it is so inspiring to take part of the other judges' thoughts. Another privilege is to see so many inspiring images and all this will affect your own photography in a positive way.

DER UDO

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't name it like the original, so he called it UDO.
