Auf ein Wort

Ich war schon in vielen Fotobewerben von Österreich bis Abu Dhabi Mitglied einer Jury. Ich freute mich sehr über die Einladung von Norbert Heil zur Jury des German International Photocup (GIP). Der GIP ist ein besonders attraktiver Wettbewerb. Es ist selten geworden, dass das Resultat in einem so schönen Fotobuch veröffentlicht wird.
Die Anzahl der Teilnehmer ist beeindruckend: 1062 aus 56 Ländern mit 13.181 Fotos, davon 109 Jugendliche mit 991 Fotos aus 16 Ländern. Da sind die Juroren gefordert! GIP Vorsitzender Norbert Heil schafft mit seiner lieben Frau eine Atmosphäre, dass die Juroren bei ihrer anstrengenden Arbeit Spaß haben. 2022 konnte nach der Corona bedingte Pause die Jury wieder live stattfinden. Somit war ein intensiver Meinungsaustausch zwischen den Juroren möglich
Hervorheben möchte ich auch das engagierte Bemühen des Vorsitzenden um die Einhaltungen der Teilnahmebedingungen und der Patronatsbestimmungen. Mit einer Software werden gleiche oder fast identische Fotos aus früheren Einsendungen nach Abstimmung mit den Juroren eliminiert. Mit der PSA wurde die Erfüllung der strengen Regeln für die ausgezeichneten Fotos der Sparten Natur und Travel während der Jury der anderen Sparten überprüft. Für disqualifizierte Fotos musste die Jury neue Fotos auswählen. Somit haben Fotografen die sich nicht an die Regulative halten keine Chance eine Medaille oder Auszeichnung zu erhalten.
Interessant ist, dass wie bei jedem Circuit, die einzelnen Juryteams zu unterschiedlichen Ergebnissen kommen. Die unterschiedliche Mischung der Fotos in der Reihenfolge und die internationale Zusammensetzung der Teams bietet den Fotografen zusätzliche Chancen auf Auszeichnungen und Annahmen.
Ich wünsche dem GIP für nächstes Jahr noch mehr Teilnehmer mit tollen Bildern, insbesondere noch mehr jugendliche Fotografen.

On my mind

I have been a member of a jury in many photo competitions from Austria to Abu Dhabi. I was very happy about Norbert Heil's invitation to join the jury of the German International Photocup (GIP). The GIP is a particularly attractive competition. It has become rare that the result is published in such a beautiful photo book.
The number of participants is impressive: 1062 from 56 countries with 13,181 photos, including 109 young people with 991 photos from 16 countries. That's where the judges come in! GIP Chairman Norbert Heil and his lovely wife create an atmosphere that allows the jurors to have fun with their strenuous work. In 2022, after the Corona-related break, the jury could take place live again. This enabled an intensive exchange of opinions between the jurors.
I would also like to emphasize the committed efforts of the chairman to comply with the conditions of participation and the patronage provisions. Using software, the same or almost identical photos from previous submissions are eliminated after consultation with the jurors. The PSA was used to check compliance with the strict rules for the award-winning photos in the nature and travel sections during the jury of the other sections. For disqualified photos, the jury had to select new photos. This means that photographers who do not comply with the regulations have no chance of receiving a medal or award.
It is interesting that, as with every circuit, the individual jury teams come to different conclusions. The different mix of photos in the order and the international composition of the teams offers the photographers additional opportunities for awards and acceptances.
I wish the GIP even more participants with great pictures next year, especially even more young photographers.

DER UDO

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't named it like the original, so he called it UDO.

„Willkommen! In unserem DVF finden Sie nette, ambitionierte Fotofreunde ganz in Ihrer Nähe."

Der traditionelle, wie hochmoderne – als gemeinnützig anerkannte – Deutsche Verband für Fotografie e.V. (DVF) ist das aktive Forum für alle Hobbyfotografen – und die es werden wollen. In 350 Fotoclubs geben ehrenamtliche Experten und Fotokönner des DVF ihr Wissen, in Theorie und Praxis, an Verbandsfreunde weiter. **Einige der Leistungen des DVF:** Hochdekorierte Fotowettbewerbe, lehrreiche Fotoschulen, praxisnahe Workshops und Fotoreisen und anspruchsvolle Ausstellungen. Der DVF fördert zudem ideell und finanziell die Jugendfotografie. Werden auch Sie jetzt Mitglied im DVF. Sie erhalten den DVF-Photo-Passport, 10x im Jahr das Verbandsmagazin DVF-journal mit DVF-Länderspecial und die Zeitschrift PHOTOGRAPHIE.
