Auf ein Wort

So sehr ich die Bemühungen vieler internationaler Wettbewerbe mag und schätze, ist der German International Photocup (GIP) derjenige, dem ich seit seiner ersten Auflage große Aufmerksamkeit widme. So organisiere ich chinesische Fotografen, um daran teilzunehmen. Es ist ein professioneller und energiereicher Wettbewerb, der jedes Jahr eine Auswahl an preisgekrönten Fotos zusammenstellt. Darüber hinaus bietet er jungen Fotografen eine Bühne für Wettbewerbe und eine Plattform für junge aufstrebende Fotografen, um ihre Werke zu präsentieren. Es ist mir eine besondere Ehre, die Entwicklung dieses professionellen, aktiven und leidenschaftlichen Wettbewerbs zu erleben. Die jährlich steigende Anzahl von Teilnehmern und die Verbesserung der Qualität preisgekrönter Werke sind die beste Bestätigung dieses Wettbewerbs.

In den letzten Jahren habe ich die mit dem GIP-Award ausgezeichnete Fotoausstellung auf Fotofestivals und ähnlichen Veranstaltungen in China vorgestellt. Jedes Mal, wenn die Ausstellung von den Zuschauern gut aufgenommen wurde, beweist dies die ausgezeichnete Qualität der ausgestellten Fotos und den Erfolg der Ausstellung. Ich hoffe, diese Ausstellung auch in Zukunft in China präsentieren zu können, da eine stärkere Aufmerksamkeit gegenüber dem Publikum dazu beitragen wird, diesen Wettbewerb zu fördern.

Abschließend möchte ich dem GIP-Vorsitzenden Norbert Heil dafür danken, dass er mich eingeladen hat, einer der Juroren dieses Wettbewerbs zu sein. Ich freue mich darauf, ein Teil der Jury zu sein und bei der Auswahl der besten Fotos aus zahlreichen Einsendungen mitgeholfen zu haben. Als Jurymitglied habe ich viel von meinen Mitstreitern gelernt, wenn wir diskutierten, um genau das Ergebnis zu erzielen was das Foto aussagt.

Diese neue Ausgabe des Wettbewerbs erhielt insgesamt über 13500 Bilder von 1150 Teilnehmern. Wir haben einige schwierige Entscheidungen zu treffen, wenn es um die endgültige Auswahl der preisgekrönten Fotos in nur drei Tagen geht. Ich bin jedoch der Meinung, dass das Ergebnis nicht enttäuschen wird, und es besteht kein Zweifel, dass dies eine erfolgreiche Ausgabe mit hervorragenden Werken ist.

Schließlich wünsche ich dem German International Photocup, dass er auch in Zukunft glänzen wird.

On my mind

Much as I like and appreciate the efforts of many international competitions, German International Photocup (GIP) is the one that I have been paying close attention to ever since its first edition. I also organize Chinese photographers to participate in it. It is a professional and energetic competition, and it assembles a delicate selection of award-winning photos each year. Besides, it also offers a level playing ground for young talents to compete, and a platform for young emerging photographers to showcase their works. It is my most privileged honor to witness the development of this professional, active and passionate contest. The increasing number of participants on a yearly basis and the improvement of the quality of award-winning works are the best affirmation of this competition.

In recent years, I have introduced the GIP Award-winning Photo Exhibition at photo festivals and related events in China. Every time the exhibition was well received by the viewers, proving that the excellent quality of photos on display and the success of the exhibition. I hope to continue to showcase this exhibition in China in the future, as more exposure to the audiences will help to promote this competition.

Lastly, I would like to thank GIP Chairman Norbert Heil, for inviting me to be one of the judges for this competition. I am excited to be a part of the jury and help to select the best photos from numerous entries. As one of the jury members, I have learned a lot from my fellow jury members as we discuss, argue and try not to let good photos get what they deserve during the judging. This new edition of competition received a total of over 13500 images from 1150 entrants. We do have some tough decisions to make when it comes to final selection of the award-winning photos in only three days. However, I believe that the result will not disappoint everyone and there is no doubt that this is a successful edition with excellent works.

Finally, I wish German International Photocup continue to shine in the future.

Bernd Mai Memorial Award

(1957-2015)

In Memoriam Bernd Mai.

On the 22nd of December 2015 we lost Bernd. Since I knew him, he was fighting against a miserable illness. But whenever you were talking to him, he was positive, creating the future. He considered every day a win for being with his family and friends.

Bernd was a very active member in the photography community. He worked for the German Association DVF and was a well respected juror and a successful photographer. He always was full of ideas and new projects. Many fellow photographers were inspired by his work. His style was unique.

Bernd was member of the jury team of the GIP from the beginning. We all are missing his expertise.

Therefore the chairman Norbert Heil created a "Bernd Mai Memorial Award" for photography with new interpretations of usual things.

Bernd, we always will remember you.

For the jury
Volker Frenzel

In Memoriam Bernd Mai

Am 22. Dezember 2015 starb Bernd. Er hat viele Jahre gegen eine heimtückische Krankheit gekämpft. Wann immer wir miteinander sprachen, war er jedoch voller Pläne und dachte an die Zukunft. Er hat jeden Tag als Gewinn gesehen, den er mit seiner Familie und den Freunden verbringen konnte.

Es war in der Fotoszene höchst aktiv, beim Deutschen Verband für Fotografie, als gerne gesehener Juror im nationalen und internationalen Bereich und als sehr erfolgreicher Fotograf. Sein fotografischer Stil war unverkennbar und er hat viele andere Fotografen mit seinen Ideen und seiner Sehweise inspiriert.

Bernd war seit Anbeginn Mitglied des Juryteams des GIP. Wir alle vermissen seine Kompetenz.

Der Chairman Norbert Heil hat einen „Bernd Mai Memorial Award“ gestiftet für die Fotografie „Neue Sichtweisen alltäglicher Dinge“.

Bernd, wir werden Dich in Erinnerung behalten.

DER UDO

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't named it like the original, so he called it UDO.

...im Forum Nr. 1 für Fotofans!

„Willkommen! In unserem DVF finden Sie nette, ambitionierte Fotofreunde ganz in Ihrer Nähe.“

Der traditionelle, wie hochmoderne – als gemeinnützig anerkannte – Deutsche Verband für Fotografie e.V. (DVF) ist das aktive Forum für alle Hobbyfotografen – und die es werden wollen. In 350 Fotoclubs geben ehrenamtliche Experten und Fotokönner des DVF ihr Wissen, in Theorie und Praxis, an Verbandsfreunde weiter. **Einige der Leistungen des DVF:** Hochdekorierte Fotowettbewerbe, lehrreiche Fotoschulen, praxisnahe Workshops und Fo-

toreisen und anspruchsvolle Ausstellungen. Der DVF fördert zudem ideell und finanziell die Jugendfotografie. Werden auch Sie jetzt Mitglied im DVF. Sie erhalten den DVF-Photo-Passport, 10x im Jahr das Verbandsmagazin DVF-journal mit DVF-Länderspecial und die Zeitschrift PHOTOGRAPHIE.
