Auf ein Wort

Der diesjährige German International Photocup war dank der großartigen Gastgeber Norbert und Karin Heil wieder ein großer Erfolg! Erneut luden sie hervorragende Juror/-innen aus Belgien, England, Italien, Österreich und Deutschland ein, die nicht minder am Gelingen des Events beteiligt waren. Ein besonderer Dank geht an die zahlreichen Teilnehmer/-innen, die mit ihren hervorragenden Fotografien diesen Wettbewerb erst ermöglichten. Besonders groß war die Freude bei der Feststellung der angestiegenen Zahl jugendlicher Künstler/-innen, die mit Können und Kreativität beeindruckten!

Bei der immensen Auswahl hervorragender Bilder fiel die Auswahl sehr schwer! In den vier Jurys kamen die unterschiedlichsten Charaktere zusammen, die sich wortgewaltig für ihre Favoriten einzetzten. In einer demokratischen Abstimmung wurde schließlich über das Schicksal des jeweiligen Kunstwerks entschieden. Bitter war jedoch das Ausscheiden erstklassiger Fotografien, deren einziger Fehler ein Regelverstoß gewesen war. Exemplarisch seien hier Fotos aus den Rubriken Travel und Nature genannt, die mit unzulässigen Rahmen ausgestattet waren oder nicht regelkonforme Bearbeitungen erkennen ließen. Zum Wesen eines jeden Wettbewerbs gehören Regularien, die ihn erst dazu machen. Um die Einhaltung der Vorgaben sei an dieser Stelle erneut gebeten.

Den Siegern gratulieren wir herzlich! Jene Künstler/-innen, deren Werke dieses Mal nicht ausgezeichnet wurden, sollen bitte nicht enttäuscht sein. Aus mehreren exzellenten Fotos eines auszuwählen, das prämiert wird, ist eine Herausforderung. Dieser Aufgabe stellen wir uns jedes Jahr aufs Neue mit Leidenschaft und Begeisterung! Es war eine Ehre und ein besonders Vergnügen am German International Photocup 2023 partizipieren zu dürfen! Vielen herzlichen Dank an Norbert und Karin Heil, die sich so gut um uns gekümmert hatten und alles großartig organisiert hatten!

Vizepräsidentin des DVF

On my mind

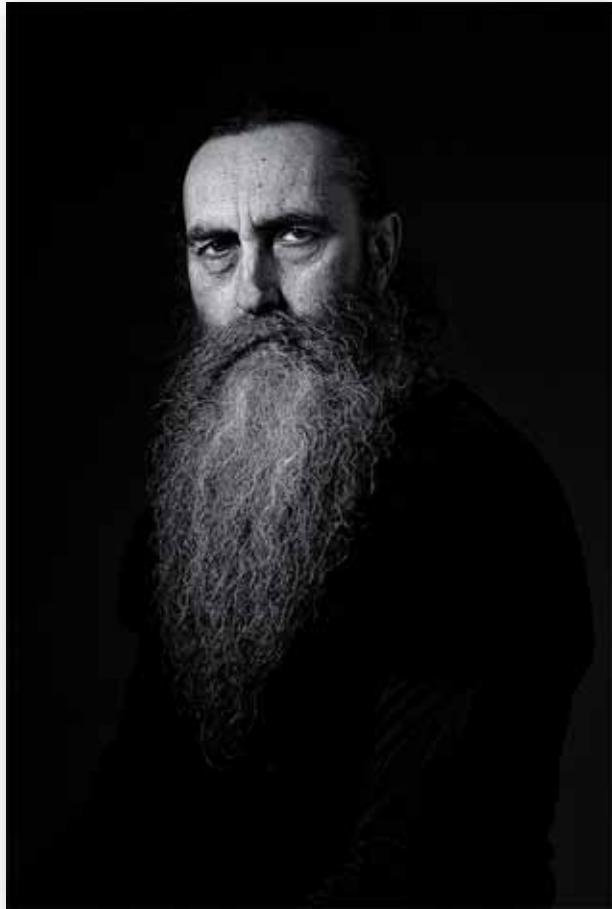

This year's German International Photocup was again a great success thanks to the great hosts Norbert and Karin Heil! Once again, they invited outstanding jurors from Belgium, England, Italy, Austria and Germany, who were not less involved in the success of the event. A special thanks goes to the numerous participants, who made this competition possible with their excellent photographs. Especially great was the joy in determining the increased number of young artists, who impressed with skill and creativity!

With the immense selection of excellent pictures, the selection was very difficult! The four juries brought together a wide variety of characters who spoke up for their favourites. In a democratic vote, the fate of the respective artwork was finally decided. Bitter, however, was the elimination of first-class photographs, the only error of which had been a rule violation. Exemplary are photos from the categories Travel and Nature, which were equipped with inadmissible frames or showed non-compliant edits. The nature of each competition includes regulations that make it a part of it.

Congratulations to the winners! Those artists whose works were not awarded this time should not be disappointed, please. Choosing one of several excellent photos to be awarded is a challenge. We face this task anew every year with passion and enthusiasm!

It was an honour and a special pleasure to participate in the German International Photocup 2023! Many thanks to Norbert and Karin Heil, who had taken care of us so well and had organized everything great!

DER UDO

Udo Krämer hatte eine hervorragende Idee. Wer die Wettbewerbe verfolgt, wird immer wieder feststellen, daß Fotos dabei sind, die in der Endabrechnung aller Juroren nicht auf vorderen Plätzen landen, die man aber dennoch selbst gerne gemacht hätte. Also erwarb Udo für seinen Jurorenpreis einige Nachbildungen eines berühmten Medienpreises. Da er ihn aber nicht so nennen durfte, wurde daraus der UDO.

Our judge Udo Krämer had a wonderful idea. In each judging you see images which will not reach an award, but as a judge you think I would make it in the same way. Udo bought some copies of a very famous media prize, but he couldn't named it like the original, so he called it UDO.
