The Royal Photographic Society

Patron: Her Majesty The Queen. Incorporated by Royal Charter

The Royal Photographic Society has awarded patronage to the organisers of this International Exhibition of Photography. In recognition of this Royal Photographic Society medals are awarded.

The Royal Photographic Society is the foremost Photographic Society in the world. It was founded in 1853 when photography was in its infancy, and it has been a leading force in its advancement ever since. In 2004 The Society became a body incorporated by Royal Charter.

The Society's aim is to promote excellence in the art and science of photography. It is an educational charity with a worldwide membership, organising over 300 events each year. The Society's distinctions of Licentiateship (LRPS), Associateship (ARPS) and Fellowship (FRPS), along with Science Qualifications, are internationally recognised as measures of excellence in photography. It also organises the world renowned and longest running International Print Exhibition, achieving its 150th Exhibition in 2007.

Auf ein Wort

Ich fühle mich geehrt und freue mich, ein Teil dieser exzellenten Ausstellung als Juror zu sein. Die Ausstellung wird in mehreren Standorten in Deutschland zu sehen sein. Die Teilnehmer zeigten mit ihren Bildern die ganze Bandbreite der aktuellen Fotografie in den Kategorien „Freies Thema" und „Natur". Die Shows werden die Fotografen und diejenigen die gerne Fotografen werden wollen ermutigen. Ich danke allen, die zu dieser großen Bildungs-und Kulturveranstaltung beigetragen haben und denjenigen die die Ausstellungen besuchen werden.

Die Jurierung wurde von 12 erfahrenen Fotografen in drei Salons durchgeführt. Es wurden 5288 Bilder im freien Thema und 3333 Bilder in der Sparte Natur eingesandt und etwa 32 Prozent angenommen. Die ausgewählten Bilder decken viele verschiedene Themen ab. Das Geschick und die Kunstfertigkeit der Fotografen wurden eindeutig gezeigt. Da diese Bilder aus 62 Ländern eingereicht wurden, stellen sie viele verschiedene fotografische Hintergründe und Ansichten auf der Welt dar. Es war ein Vergnügen alle Bilder zu sehen und einen Blick auf die Welt durch die Augen der Fotografen zu haben.

Trotz der großen Anzahl von Bildern hatten die Juroren Zeit, um eine gute Auswahl zu treffen. Vor allem auch die Ruhe bei der Auswahl der Bilder, die sie als die besten Bilder, für Medaillen und Urkunden prämiert haben. Diese Top-Bilder bilden einen Querschnitt von verschiedenen Themen und Stilen und sollten die Aufmerksamkeit der Teilnehmer an den Ausstellungen gewinnen.

Der Prozess der Datenerhebung und -verarbeitung, die Jurierung und die Erstellung der Report Cards sowie des Katalogs war sehr gut vorbereitet. Kaum hatten die Richter die Jurierung am zweiten Tag beendet, lagen die Ergebnisse für die Veröffentlichung bereit. Mit dieser Art der Dienstleistung für die Teilnehmer wird der German International DVF-Photocup mit Sicherheit in den kommenden Jahren noch wachsen. Karin und Norbert Heil haben einen exzellenten Job gemacht. Ich werde zusammen mit den anderen Juroren immer die gemeinsame Zeit schätzen, eine solch ausgezeichnete Show zu erstellen.

John Davis, President, Photographic Society of America

On my mind

I am honored and pleased to be a part of this excellent exhibition as a judge. The exhibition will be shown in several locations in Germany. Entrants have contributed to a superior demonstration of current photography in the open and nature categories. The shows will encourage photographers and those who would like to become photographers. I thank all of you who entered to contribute to this great educational and cultural experience for those who will attend the exhibitions.

The judging was done by 12 experienced photographers in three salons. There were 5288 open images and 3333 nature images entered, and approximately 32 per cent were accepted. The selected images cover many different subjects. The skill and artistry of the photographers is clearly shown. Since these images have come from 62 countries, they represent many different photographic backgrounds and views of the world. It is a pleasure to see all of the entries, and experience the subjects through the eyes of the photographers.

Even with the large number of images, the judges had time to make good selections, and especially spent the extra time when selecting the images they considered the top images, for medalists and those receiving honorable mention. These top images cover a cross section of subjects and styles and should attract the attention of those attending the exhibitions.

The process of collecting, processing, judging, tabulating, and preparing the report cards and catalog was well done. No sooner had the judges finished the second day of judging than the results were ready to publish. With this kind of service to the entrants, the German International DVF-Photocup is certain to grow in the years ahead. Norbert and Karin Heil are to be commended for a job very well done. I will always value the time spent with them and the other judges in helping to create such an excellent show.

d-pixxFOTOGRAF/IN 2013

▶ Seit d-pixx 1/2013 läuft zum achten Mal der große d-pixx-Jahresfotowettbewerb. In diesem Jahr können Sie noch in vier Runden* zeigen, was Sie können und wichtige Punkte sammeln. Noch ist alles offen! (*Stand April 2013)
▶ Für die drei Besten jeder Runde gibt es je einen Sachpreis. Und am Ende des Jahres winken der Siegerin/dem Sieger des Jahreswettbewerbs unsere Trophy (ein **d-pixx x** auf poliertem Edelstahl) und eine **Canon EOS 6D mit EF 4/24-105 mm L IS USM**. Der 2. und 3. Platz sind ebenfalls mit tollen Preisen verbunden.
▶ Alles zum Wettbewerb 2013 steht in jeder aktuellen d-pixx. Dort finden Sie auch Praxistests topaktueller Kameras und Objektive und jede Menge Tipps und Tricks rund um die Fotografie von der Aufnahme bis zur Bildbearbeitung.

dpopc

d-pixxOnlinePhotoChallenge

▶ Die dpopc ist der neue spannende Wettbewerb, der im Forum der d-pixxx-Homepage läuft (www.d-pixx.de/forum) und zweimal im Jahr stattfindet. Nach den Auswahlrunden stehen sich die Teilnehmerinnen und Teilnehmer, die sich qualifizieren konnten, in dpopc-Duellen gegenüber und das k.o.-System bestimmt, wer im Finale gegeneinander antritt und um den Titel „Challenge-Master" kämpft! Die 4. dpopc startet am 1. Mai 2013!
▶ Alles zur dpopc finden Sie auf www.d-pixx.de/forum - und dort können Sie in d-pixx-typisch familiärer Atmosphäre auch mit Gleichgesinnten über Ihr Hobby diskutieren, Bilder zeigen und besprechen und von der Erfahrung anderer profitieren.
